ABOUT US:

Established in 2018, Just Clean is a leading provider of cleaning chemicals, equipments & machinery. With a portfolio of over 200 products and 2,000+ chemical formulations through our partnership with Minitex, we serve a wide range of industries including hospitality, healthcare, commercial, and manufacturing.

With a strong presence across Maharashtra, Gujarat, and the Union Territories of Daman & Diu and Dadra & Nagar Haveli, Just Clean delivers reliable, timely, and high-quality cleaning solutions to clients.

Our mission is simple: to provide innovative, professional cleaning products backed by trust, reliability, and exceptional service, making us the preferred partner for businesses across India.
